RED SHAMBHALA: PUTIN, DONALD J. DRUMPF, JARED KUSHNER, THE SEPARATE MASONIC HASIDIC STATE & THE FLEEING OF A DEMOCRACY

6 06 2017

I

THE SHOVE ASIDE SEEN AROUND THE WORLD

The *Prime Minister of Montenegro* said he took no offense to being belligerently shoved aside by **Donald J. Drumpf** during a photo op at NATO's new Brussels' headquarters, calling the push a "harmless situation."

Well, he should have taken offence. Because, it was no "harmless" act. It was a clear deliberate act of a child like adult *ancestrally role playing* legendary "Viking" games of aggression. It was an *assault, and battery* by a LUNATIC.

The statue of **Olaf III** is located at Torgallmenningen, the main square in **Bergen, Norway** founded by **King Olaf**, son of King of Norway, **Harald Hardrade (Sigurdsson)**, the **Last Great Viking**, in 1070 AD.[1] **Drumpf's** maternal forebears, *The MacLeods*, are descended from the bloodlines of the **Kings of Norway**, and the “*mighty Vikings*” from the “**town of Bergen, which is the beginning of their history**“.[2]

These particular **Kings of Norway** of the town of **Bergen** descended from **Ruik the Viking**. According to the first Russian annals, the *Primary Chronicle*, **Rurik** was a Scandinavian “*from the tribe of the Rus*” whom the people of **Novgorod** invited in **862 AD** to assume rule over them, as they had been unable to govern themselves. Accompanied by his family and retinue, **Rurik** settled in **Novgorod**, and his brothers took control of adjacent regions. The area under their authority came to be called “*the land of the Rus*” and eventually “**Rus**”- **RUSSIA**.[3]

Shambhala & Russian Mystic Nicolas Roerich, Discussed Below

For generations, **Russia** has been a *secret Magical Universe* that some say had been part of the mythical and ancient **Lands of Shambhala** and **Hyperborea**. *Agharti, Agarthia, Shangri-la*, or, most commonly, *Shambhala*, some believed it to be a physical, subterranean realm inhabited by an ancient, advanced race, while to others it was a spiritual dimension accessible only to the enlightened.

Russia is a window into the world of *secret societies, occult teachers*, and subterranean *political currents*. Keep in mind that the mindset of *Putin, Drumpf* and *Kushner* is *secretly* heavily influenced and embedded in a very *strange land* of ancient Russian *mysticism*. This is always kept secret from the people of the democracy. **Jared Kushner's** paternal grandmother's origin is also in the people of **Novgorod** (*Novogroduk*), "*the land of the Rus.*" [\[4\]](#),[\[5\]](#)

*"Ideas and practices drawn from magic and the occult have always been a part of Russian life. In the sixteenth century **Tsar Ivan IV** consulted magicians and was aware of the occult significance of the precious stones set in his staff. His reign was the culmination of the dream of building a prophetic, religious civilization in the Eastern Christian tradition of Byzantium. Surrounded by secret orders of apocalyptic monks, **Ivan saw himself as heir to the Israelite kings and attempted to transform Russian life in accord with his magical view of reality.** Ivan was convinced the Russian nation had a special mission to accomplish, nothing short of the redemption of the world.*

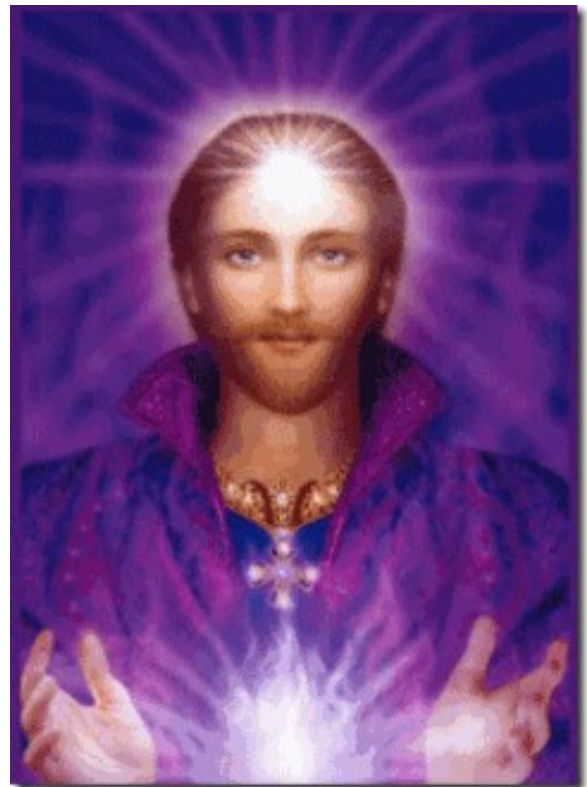

Infamous Alchemist Dr. John Dee

In 1586, **Tsar Boris Godunov** offered the huge salary of 2000 English pounds a year, with a house and all provisions free, to **John Dee**, the English magus and spy master, to enter his service. Dee's son **Dr. Arthur Dee**, who like his father was an alchemist and Rosicrucian, went to Moscow to work as a physician. **Mikhail Romanov**, the first Tsar of the Romanov dynasty, allegedly ascended the throne with the help of **Dr. Arthur Dee** and the **British Secret Service**. Before their rise to power the Romanovs were accused by their enemies of practicing magic and possessing occult powers.

Count of St. Germain

The legendary Count of Saint Germain, described as an alchemist, spy, industrialist, diplomat and Rosicrucian, became involved in several political intrigues in Russia and was, according Nicholas Roerich, 'a member of the **Himalayan brotherhood**.' In 1755 he traveled throughout Eurasia to study occult teachings, and may even have visited Tibet. It is said that while studying occultism in Central Asia the Count was introduced to the **secret rites of Tantric sex magic which provided him with a technique to prolong his youth**. He also engaged in spying operations against the notorious British India Company. Saint Germain founded two secret societies called the **Asiatic Brethren** and the **Knights of Light**. As early as 1780 he warned Marie Antoinette that the French throne was in danger from an international conspiracy of '**Brothers of the Shadow**'. Rumours continued to circulate for many years after his alleged death that Saint Germain was still alive working behind the scenes in European politics or studying occult doctrines in Central Asia." [6]

Donald J. Drumpf may go down as one of the most *evil, divisive, alienating* and *polarizing* U.S. presidents in American History. In the final chapter, he actually may turn out to be one of world's most polarizing figures in the history of constitutional democratic societies.

Jared Kushner & Another Separate State

Now at this very moment, his son-in-law, **Jared Kushner**, is rising on the world stage in *Drumpf's Dark Empire* that forms a cloud over the presidency and a diversified citizenry of the United States, and the world. There are no degrees of separation between **Kushner** and **Steve Bannon** when it comes to absolute *evil, white supremacy* and *racial bigotry*. **Kushner** is a **Zionist**, and an extreme religious bigot and isolationist that advocates the *blood sacrifice* of the global masses of color.

Jared Kushner & Jewish Mysticism- KABBALAH

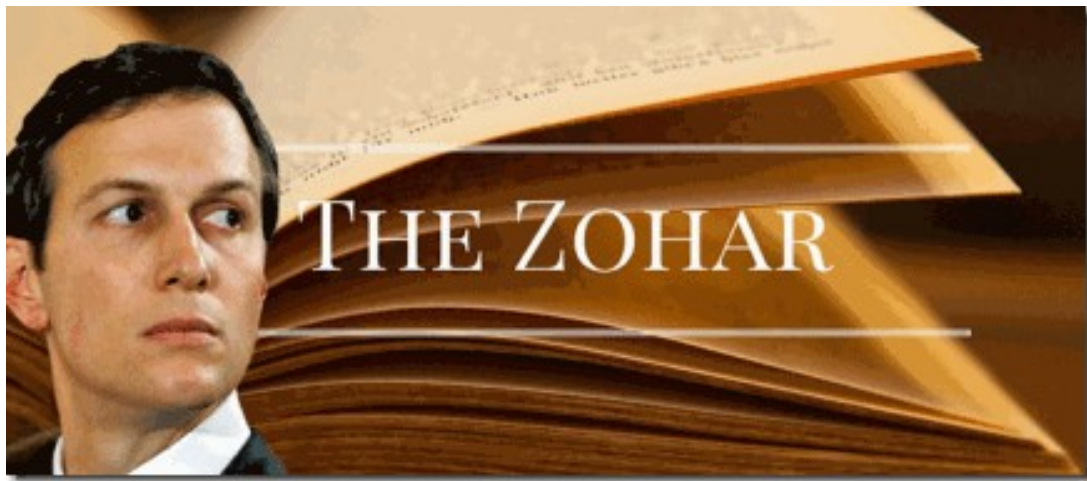

Before we proceed further, we must have a basic understanding of what the **Torah**, **Zohar** and **Kabbalah** are. It is necessary and important to understand their basics, because at this moment in history- the U.S. government *clandestinely* swing in their wind.

The English word “**Torah**” comes from the Hebrew word *toh-rah’*, which can be translated as “*instruction,*” “*teaching,*” or “*law.*” (**Proverbs 1:8; 3:11; 28:4**). *Toh-rah’* often refers to the first five books of the Bible—*Genesis, Exodus, Leviticus, Numbers, and Deuteronomy*. These are also called the **Pentateuch**, from a Greek word meaning “*fivefold volume.*” The **Torah** was written by **Moses**, so it is called “*the book of the Law of Moses.*” (**Joshua 8:31; Nehemiah 8:1**).^[7]

According to rabbinic tradition, all of the teachings found in the **Torah**, both written and oral, were given by God through the prophet **Moses**, some at **Mount Sinai** and others at **Tabernacle**, and all the teachings were written down by **Moses**, which resulted in the **Torah** that exists today. According to the *Midrash*, the **Torah** was created *prior to the creation of the world*, and was used as the blueprint for **Creation**.

A majority of Biblical scholars believe that the written books were a product of the Babylonian captivity (**600 BC**), based on earlier written and oral traditions, which could only have arisen from separate communities within ancient Israel, and that it was completed by the period of Achaemenid rule (**400 BC**). The 1979 discovery of fragments of the Hebrew Bible (**Priestly Blessing from the Book of Numbers**) at **Ketef Hinnom** (*southwest of the Old City of Jerusalem, adjacent to St. Andrew’s Church*) dating to the late **7th century BC**, and thus to before the Babylonian captivity, is the oldest evidence of elements of the **Torah** which were current before the Babylonian exile.^[8]

The **Zohar** (“*Splendor*” or “*Radiance*“) is a set of twenty-three books, a commentary on biblical and spiritual matters in the form of conversations among spiritual masters. The **Zohar** is the foundational work in the literature of Jewish mystical thought known as **Kabbalah**. It is a group of books including commentary on the mystical aspects of the **Torah** (*the five books of Moses*) and scriptural interpretations as well as material on mysticism, mythical cosmogony, and mystical psychology.[9]

In **November 2016**, as presidential candidate **Donald J. Drumpf** spent his weekend barnstorming swing states and rallying crowds to his cause, his daughter **Ivanka** and son-in-law **Jared Kushner**, a key campaign adviser, teamed up to seek support and a blessing from a higher power from a different state.[10]

Jared Kushner, Ivanka Drumpf & the 7th Lubavitch Rebbe

Members of **Chabad-Lubavitch** are divided into two categories: The “**Elokists**” and the “**Mishichists**“. *Elokists* believe that the **Rebbe** is **God**, while **Mishichists** believe the **Rebbe** is the **Messiah**. Well, *Jared* and *Ivanka* must be among the *Elokists*, because they certainly didn’t pray to **God** or **Jesus** to answer their prayers. In New York City over **Shabbat** – **Ivanka** and **Jared** were spotted on Saturday night at the site of the grave of the **Lubavitch Rebbe** in Queens, NY.

Saturn Devouring His Son

The *Holy Sabbath* is actually the worship of the planet **Saturn**. If you “*keep the Sabbath,*” then you are carrying on the ancient worship of this pagan god. That is why he is worshiped on **Saturn’s Day** — which today we call “Saturday.”^[11] The **Witches’ Sabbath** or **Sabbat** is a meeting of those who practice witchcraft, and *other old European religious rites*.^[12]

The site **Ivanka** and **Jared** visited is known as “**The Ohel**” – the Hebrew word for “**tent**” – and it is the structure build over the grave of the venerated *Seventh and Last Lubavitcher Rebbe Menachem M. Schneerson*, who was buried there alongside his father-in-law in 1994.^[13]

It is extremely important that we have some understanding of who these people are disguised as working on behalf of American citizens, but for a totally separate and different state. **Drumpf, Ivanka** and **Jared Kushner** are far more dangerous to an open society than anyone can ever imagine.

Rebbe (Hebrew) is a Yiddish word derived from the Hebrew word *rabbi*, which means “*master, teacher, or mentor*“. Like the title “**rabbi**” it refers to teachers of **Torah** or leaders of Judaism. In common parlance of modern times, the term “**The Rebbe**” is often used specifically by *Hasidim* to refer to the leader of their *Hasidic* movement.^[14]

Jared Kushner, Ivanka Drumpf & the Hasidic Movement

Rabbi Israel Baal Shem Tov (1698-1700- 1760), founder of **Hasidism**, in Medzhybizh, Ukraine gave a new phase to Jewish mysticism through the **Lurianic Kabbalah** on a mass Jewish population basis. **Lurianic Kabbalah** is a school of **Kabbalah** named after the Jewish rabbi who developed it: **Issac Luria** (1534–1572). **Lurianic Kabbalah** gave a seminal new account of **Kabalistic** thought that its followers synthesized with, and read into, the earlier **Kabbalah** of the **Zohar** that had been disseminated in Medieval circles.[15]

Around the age of twenty-two, **Luria** became engrossed in the study of the **Zohar** (*a major work of the **Kabbalah** that had recently been printed for the first time*) and adopted the life of a recluse. Retreating to the banks of the Nile for seven years, he secluded himself in an isolated cottage, giving himself up entirely to meditation. He visited his family only on **Shabbat**. The teaching of the **Lurianic Kabbalah** is based on the **Zohar** that during the time of **Rabbi Shem Tov** during the 18th century was still *secret teachings and doctrines*.[16]

Hasidic Movement, Torah and Zohar, The Hand and the Glove

“There are those who are against me yet they don’t even know me at all. This is as it says in the **Zohar** when the **Torah** states that Pharaoh said to the Egyptians, “Let’s outsmart the Jews.” Could it be that he went to each and every citizen to personally relate this message? Rather he inserted it into their hearts.” **Rebbe Nachman of Breslov**[17]

Rebbe Nachman of Breslov (1772–1810), the great-grandson of the **Baal Shem Tov**, revitalized and further expanded the latter’s teachings, amassing a following of thousands in **Ukraine, Belarus, Lithuania and Poland**. In a unique amalgam of *Hasidic* and *Mitnagid* (*Ashkenazi Hasidic*) approaches, **Rebbe Nachman** emphasized study of both **Kabbalah** (*Zohar*) and serious **Torah** scholarship to his disciples. His teachings also differed from the way other **Hasidic** groups were developing, as he rejected the idea of *hereditary Hasidic dynasties* and taught that each **Hasid** must “*search for the tzaddik* (‘saintly/righteous person’)” for himself and within himself.[18]

It should be noted that the **Sabbateans** also based their teachings on the **Zohar** and **Lurianic Kabbalah** that are considered part of classical Judaism by **Hasidism**.[19] It appears that in the *Hasidic* movement, the **Torah** and **Zohar** go hand and glove.

Tov's *Hasidic* movement among the masses also raised concerns and fears that it also created *secret* extreme sects of *Kabbalic-Mystical* religious fanaticism.

Within the lifetime of **Israel Baal Shem Tov**, approximately from 1698 until 1760, as well as within the lifetime of his parents in the last third of the 17th century, there occurred a greater number of recorded **blood libels** than during any other historical period.

According to two contemporary **Polish** historians **Zenon Guldon** and **Jacek Wijaczka** (1977), there were **66** recorded blood libels in the 17th-18th centuries in the **Polish-Lithuanian Commonwealth**.[\[20\]](#)

According to *Jacek*

Wijaczka's recent article "**Ritual Murder Accusations in Poland throughout the 16th to the 18th Centuries**": "Based on recent research we can conclude that during the Early Modern Era, **89** ritual murder accusations and trials took place in **Poland** (within the borders after the Union of Lublin). This includes **17** in the 16th century, **37** in the 17th century and **35** in the 18th century...In total, at least **11** accusations and ritual murder trials took place in **Lithuania**, which brings the total to **100** trials within the **Polish** territories".[21]

There were many more similar incidents that did not receive mention in the **Polish** judicial documents but were well attested in contemporary Jewish literature.[22] The first mystical testimony on the public activity of **Israel Baal Shem Tov** has to do with the **blood libels** in the forties' and Fifties' of the Eighteen Century.[23] Don't get it all twisted. The bottom line is **Jewish Mysticism** is an internal part of the **Hasidic** movement that centers around the *Kabbalah* of the *Zohar*. The **Zohar** is not an old book. Its existence does not seem to precede the Middle Ages. Many of the writings of the **Zohar** are asserted to be *secret ancient writings* or *compilations of secret ancient writings*.

Kabbalah: The Making of the Zohar

Moses de León (c. 1240 – 1305), known in Hebrew as **Moshe ben Shem-Tov**, was a Spanish rabbi and **Kabbalist** who is considered the composer, redactor, or scribe of the **Zohar**. It is a matter of controversy if the **Zohar** is his own work, or if he committed to writing traditions or manuscripts going back to **Rabbi Shimon bar Yohai**, *House of Judah*.^[24] However, it was **Moses de León** that compiled Jewish treatises, tracts, and published the vast **Torah** of today in the 13th century.^[25]

Rabbi Yohai was a 2nd-century sage in ancient Israel, said to be active after the destruction of the **Second Temple in 70 CE**. According to a legend in the **Babylonian Talmud**, *Rabbi Shimon bar Yohai* criticized the Roman government and was forced to go into hiding with his son for thirteen years. They sheltered in a cave (which local tradition places in Peki'in). Next to the mouth of the cave a carob tree sprang up and a spring of fresh water gushed forth. Provided against hunger and thirst they cast off their clothing except during prayers to keep them from wearing out, embedded themselves in the sand up to their necks, and studied the **Torah** (*five books of Moses*) all day long. He and his son left the cave when they received a **bat qol** (divine revelation) saying that the Roman emperor had died and consequently all his decrees were abolished.^[26]

Kabbalah: The Zohar, Fallen Angels and King Solomon

The **Fallen Angels** are wicked or rebellious angels that have been cast out of heaven. God did not spare angels when they sinned, but cast them into hell and committed them to chains of gloomy darkness to be kept until the judgment. The **Zohar of Rabbi Yohai** is most likely some of the “*supernal wisdom*” alleged to have come from **Fallen Angels**, and **King Solomon’s Temple**.

Kabbalah:

“God did indeed send down a book to Adam, from which he became acquainted with the **supernal wisdom**. It later came into the hands of the ‘sons of _____ god’ [i.e., the ‘Fallen Angels,’ of whom **Samael** was the leader, described in Genesis 6:1-4], the wise of their generation, and whoever was privileged to pursue it could learn from it *supernal wisdom*.”(**The Zohar 1:37b**)

FALLEN ANGEL SAMAEL

The “supernal wisdom” of **Kabbalah** is related to the **Fallen Angels**, of whom **Samael** was the leader, and in whose “Palace”, the early sages “delved“, and into which the *Jewish Messiah Sabbatai Zevi*, later “descended.”

FALLEN ANGEL AZAZEL

“**Azazel** was smitten or “afflicted” by God and expelled to make atonement in the wilderness...” [27]

The concept of **Fallen Angels** is first found in Judaism among texts of the *Second Jewish Holy Temple* (516 BCE and 70 AD) related to **Rabbi Yohai**. The *Second Temple* replaced **Solomon’s Temple**, the First Temple. The *Second Temple* applied **Fallen Angels** to **Azazel**.

Azazel was **King Solomon**. *Solomon* or *Shiloh* is **Moses**,

” ‘The sceptre shall not depart from Judah nor the ruler’s staff from between his feet’, ‘the sceptre’ referring to the Messiah of the house of Judah, and ‘the staff’ to the Messiah of the house of Joseph.’ ‘Until Shiloh cometh’: this is **Moses**, the numerical value of the two names **Shiloh** [Schylah] and **Moses** [Mosheh] being the same.’ “ (**The Zohar**, Volume I, Section “Bereshit”). [28]

Kabbalist Samael Weor

At least one Christian Gnostic and Mystic, **Samael Aun Weor** (March 6, 1917 – December 24, 1977), founder of the Universal Christian Gnostic Movement, and lecturer of “*The Doctrine of Synthesis of All Religions in both their Esoteric and Exoteric Aspects*” – found that the **Fallen Angel Azazel** was identical to **King Solomon**.[\[29\]](#), [\[30\]](#)

“Azazel was King Solomon. Presently, the Bodhisattva of Azazel is fallen; but it is logical that in the near future, that Bodhisattva will rise from the mud of the earth.”

(Venerable Master Samael Aun Weor’s Teachings in his Book titled “The Message of Aquarius,” “Chapter XXVI”, “The Seven Angels and the Seven Bowls“).

The English word “**cabal**” (*a secret group of conspirators*) is derived from the Hebrew word **Kabbalah**.[\[31\]](#) **Chabad**, also known as *Lubavitch*, *Habad* and *Chabad-Lubavitch* is today one of the world’s best known **Hasidic** movements and is well known for its outreach. It is the largest **Hasidic** group and Jewish religious organization in the world.

THE SEVEN CHABAD- LUBAVITCH REDDES

1. **Rabbi Shneur Zalman of Liadi** (1745–1812), founded the **Chabad** movement in the town of Liozna. He later moved the movement’s center to the town of Liadi. **Rabbi Shneur Zalman** was the youngest disciple of *Rabbi Dovber of Mezritch*, the principal disciple and successor of **Rabbi Israel Baal Baal Shem Tov**, founder of **Hasidism**.
2. **Rabbi Dovber Schneuri** (1773–1827), son of *Rabbi Shneur Zalman*, led the Chabad movement in the town of Lyubavichi (**Lubavitch**).
3. **Rabbi Menachem Mendel Schneersohn** (1789–1866), a grandson of *Rabbi Shneur Zalman* and son-in-law of *Rabbi Dovber*.
4. **Rabbi Shmuel Schneersohn** (1834–1882), was the seventh and youngest son of *Rabbi Menachem Mendel*.
5. **Rabbi Shalom Dovber Schneersohn** (1860–1920), *Shmuel*’s second son, succeeded his father as rebbe.
6. **Rabbi Yosef Yitzchak Schneersohn** (1880–1950), the only son of *Sholom Dovber*, succeeded his father as rebbe of Chabad.
7. **Rabbi Menachem Mendel Schneersohn** (1902–1994), son-in-law of *Rabbi Yosef Yitzchak*, and a great-grandson of the third *Rebbe of Lubavitch*, assumed the title of rebbe one year after his father-in-law’s death. **Rabbi Menachem Mendel** greatly expanded **Chabad**’s global network, establishing hundreds of new Chabad centers across the globe. He published many of his own works as well as the works of his predecessors. His teachings are studied regularly by followers of Chabad. He is commonly referred to as “the **Lubavitcher Rebbe**“, or simply “the Rebbe”. Even after his death, many continue to revere him as the leader of the **Chabad** movement.[\[32\]](#)

However,

*“The **Zohar** is the great medieval Jewish compendium of mysticism, myth, and esoteric teaching. It may be considered the highest expression of ‘**Jewish literary imagination**’ in the **Middle Ages**.”*[\[33\]](#)

During the presidential transition period leading up to **Drumpf’s** presidential inauguration, **Jared Kushner** held a series of meetings with the Russian ambassador to the US, **Sergey Kislyak**, and the head of a Moscow bank that was under US sanctions. In talks with **Kislyak** in December 2016, **Kushner** sought to set up a secure secret line of communication between the **Drumpf** transition team and **Russia** — and having those talks take place in Russian diplomatic facilities in the US, *essentially concealing their interactions from US government scrutiny that amounts to international ESPIONAGE.*[\[34\]](#)

Who exactly is Jared Kushner?

In April 2017, *Politico Magazine* published an article purporting to show long-term links between **Kushner**, Russian Jewish oligarchs, **Drumpf**, **Putin**, and **Chabad-Lubavitch**.

Kushner run a media outlet that he paid \$10 million in cash for in 2006, the *New York Observer*. **Harleen Kahlon** was an experienced digital media maven when she was hired by **Kushner** in 2010 to boost the paper’s digital outreach. Her feelings for **Kushner** runs deep and may constitute a typical note about his character, *“We’re talking about a guy who isn’t particularly bright or hard-working, doesn’t actually know anything, has bought his way into everything ever (with money he got from his criminal*

father), who is deeply insecure and obsessed with fame (you don’t buy the NYO, marry Ivanka Trump, or constantly talk about the phone calls you get from celebrities if it’s in your nature to ‘shun the spotlight’), and who is basically a shthead.”[\[35\]](#)

Rae Kushner With Joseph Cut from Picture?

Jared is much more than just a *moron* and a *“shthead”* secretly combining with *control group* **Masonic** Russians. **Jared** has said, *“I am the grandson of Holocaust survivors.”* He has described how his grandmother, **Rae Kushner**, escaped the Nazi ghetto of *Novogroduk* and made it to the woods, where she joined the partisan resistance **Bielski Brigade** and met his grandfather, **Joseph**, who escaped a Polish Nazi labor camp.[\[36\]](#) *Novogroduk*, was the first capital of the Grand Duchy of **Lithuania**, in the region of **Belarus**.[\[37\]](#)

From **Italy** after WWII, **Rea** and **Joseph** landed in New York City in 1949. What little that is exposed about **Joseph** in New York is *sarcastic nonsense and disinformation*, and why isn't there public pictures of him? " ... *Joseph Kushner, a Holocaust survivor, was the first in the family to enter the real estate business. Joseph worked construction on several sites in New York before his fear of heights took him to New Jersey, where the buildings were shorter.*"[38]

It is highly probable that **Rea** and **Joseph Kushner** were **Kabbalists**, Jewish members and followers of the **Chabad-Lubavitch** in Lithuania, in the region of **Belarus**. They certainly would have been followers of the 6th and 7th **Rebbes**, *Rabbi Yosef Yitzchak Schneersohn, and Rabbi Menachem Mendel Schneersohn*.

The Super Hidden Hand Elite, Obergruppenführer SS Karl Wolff

During WWII, it was extremely difficult to get travel or resettlement visas to America for Italian Americans and Italians let alone displaced **Lithuanians**. Italy under **Mussolini** and Lithuania under **Nazi** occupation of **Adolf Hitler** were **Axis** enemies. In Italy, there were at least a million of **Himmler's SS Waffen** knights under **Obergruppenführer SS Karl Wolff** (Supreme Commander of all SS forces in **Italy**). In general, **Italians** constituted "enemy aliens". In America, thousands of Italian Americans were taken into custody in an initial roundup following the attack on Pearl Harbor on December 7, 1941, and prior to the United States declaration of war against Italy.[39],[40]. Yet, **Rea** and **Joseph Kushner** got travel visas from someplace. I have come to realize that **Masonic Lodges** had also been linked to *rat lines* out of **Italy** and **Europe**. There is firm evidence that the **6th and 7th Rebbes**, *Rabbi Yosef Yitzchak Schneersohn, and Rabbi Menachem Mendel Schneersohn*, were directly linked to a secret **KBG Masonic Lodge**, **United Labor Brotherhood (ULB)**, to be discussed further.

Today, **Rea** and **Joseph Kushner** are associated with and named for Jewish Orthodox educational institutions, **Rae Kushner Yeshiva High School / Yeshivat HaTichonit Beit Yosef** (four-year private high school) in Livingston, New Jersey, and the affiliated **Joseph Kushner Hebrew Academy**, Staten Island, NY.[41] They are Jewish educational institutions associated with **Torah Umesorah** (*Partner in the Teaching of the Torah*).[42] The **Kushner's** sons *Murray* and *Charles* sit on the board of the directors of the **RABBINICAL COLLEGE OF AMERICA**, Headquarters of **Chabad Lubavitch** in the State of New Jersey.[43]

Charles Kushner is the father of **Jared Kushner**. He is a Zionist, crooked, conniving, and convicted ex-felon (Asset of the *Mossad*), and an extremely close personal confidant of the Satanic Israeli war criminal, **Freemason Benjamin “Bibi” Netanyahu**. There is a very strong suggestion that **Joseph Kushner** soon after he got off the boat in New York City in 1949 immediately became tied into *Fred Drumpf*, and *Abraham (Bunny)- Samuel H. Lindenbaum’s Kabbalah– Chabad – Lubavitch* circle. The *Lindenbaums* were fervent supporters of the **Lubavitch** movement and the **Educational Institute Oholei Torah [Zohar]**, the Flagship school of **Chabad – Lubavitch**.[\[44\]](#)

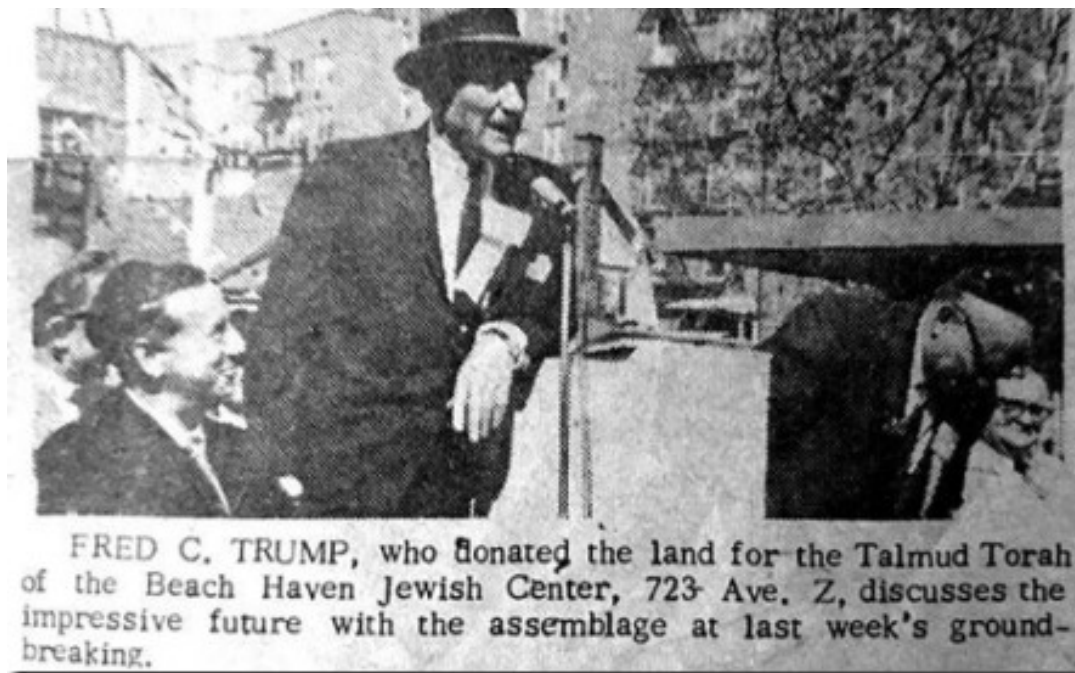

Welcome to America, 1929, Russian OGPU Operative 6th Rebbe Rabbi Yitzchak & NY Police Honor Guard

In 1929, and 1940, before the **Kushner’s** arrived in New York City, the **6th Rebbe, Rabbi Yosef Yitzchak (Joseph Isaac) Schneerson**, setup a communal (**Masonic United Labor Brotherhood (ULB)**) lodge/infrastructure on Eastern Parkway in the Crowns Height section not far from the **Brooklyn Jewish Center (BJC)** founded in 1921. Don’t get it twisted. The **ULB** was no labor union. The “**labor**” that they were talking about was about the united “**Searchers After the Truth**” seeking *secret long lost “supernal wisdom”- occult knowledge and mysticism*.

Their immediate problem: *lots of school age children, no building to house a school.* A partnership developed between the **BJC** and the flagship school of the **Chabad-Lubavitch** movement, **Educational Institute Oholei Torah [Zohar]**, to open a school.[\[45\]](#)

Oholei Torah (“*Tents of Torah*“), properly referred to as **Oholei Menachem** (“*Tents of Menachem*“) after the **7th Rebbe Rabbi Menachem Mendel Schneerson**. It is the common name of the Lubavitch schools *Educational Institute Oholei Menachem and Talmudical Seminary Oholei Torah*. It was founded in 1957 by *Rabbi Schneerson’s* directive. In 1975, the school began renting space for the elementary classes at the **BJC** at 667 Eastern Parkway, built in 1920. They purchased the building outright in 1982. [\[46\]](#)

Fred Christ Drumpf (1905- 1999) donated the land for the **Talmud Torah [Zohar] of Beach Haven Jewish Center** and according to estimates the photo was taken almost fifty years ago in 1965 or 1966. Previously, I [posted](#) in August 2015 that **Fred C.** had actually financed the entire center. “*At Beach Haven, Fred C. financed a shul with three classrooms. Shul is a Yiddish word for synagogue. An example of shul is where Jewish people go to worship. The Beach Haven “community consisted mostly of young couples and there were 350 children in the Talmud Torah.”*”

The reference site for the quote was removed from the internet, but the above recently released newspaper photograph and caption confirm my previously post. **HUD** investigators found that **Scandalous Fred C.** pocketed **\$4,070,000** in the post- WW II Brooklyn **1949 Beach Haven Apartment Complex Project**. (*Weifeld, Irving, HUD Scandals, Transaction Publishers, New Brunswick, NJ (1992), pg. 1*) That’s a great deal of money in 1949. **KiKar Shabbat** also recently reported that **Fred C.** was among the biggest donors of the **Ruzhin-Boyan *hassidic*** movement in Jerusalem.[\[47\]](#)

Rebbe Yitzchok Friedman

Yitzchok Friedman (1850 – 11 March 1917) was the founder, first and only **Rebbe** of the **Boyan Hasidic dynasty**. He was known as the **Pachad Yitzchok (Dread of Isaac)**.^[48] **Boyan** is a *Hasidic* dynasty named after the town of **Boiany in Ukraine**. The *Hasidut* is headquartered in Jerusalem, Israel. **Boyan** is one of the branches of the **Ruzhiner** dynasty.^[49] **Rabbi Yisroel Friedman** was a direct descendant through the male line of **Rabbi Dov Ber, the Maggid of Mezritch** (1704-1772), the main disciple of **BAAL SHEM TOV**.^[50]

The **BJC** was connected directly to *United Synagogue of America*, the *World Zionist Congress*, *United Jewish Appeal*, *National Jewish Welfare Board*, and the **MOSSAD**.

Kabbalah Masonic Hasidic Samuel (Sandy) Lindenbaum

*Abramham's son, "Mr. [Samuel] Lindenbaum cultivated a scholar's knowledge of the Zoning Resolution, the arcane document that governs development in New York. As a result, he was able to bend the resolution to his clients' will without breaking it. And because his clients were major builders and landowners — among them Harry B. Helmsley, Harry Macklowe, Larry A. Silverstein, Jerry I. Speyer, Leonard Litwin, Steven Roth and **Donald J. Trump**; the Fishers and Tisches and Rudins and Roses. . ." [51]*

The **Masonic Lodge** that they belong to is unknown. It could chartered or old world. In either case, the very nature of the **Lodge** is **Secrecy- Blood Covenant Secrecy**.

MASONS- Putin and Obama

“... *binding myself under no less penalty than to have my throat cut across ...*”

In New York, **Joseph Kushner** is said to have worked as a construction worker and concurrently as an independent builder. Naturally, as part of his resettlement in New York, he would have come in direct contact with the **Masonic** brotherhood via *Bunny Lindenbaum* and his Jewish welfare board. As a construction worker, and a growing wealthy independent builder, he would have joined *Fred Drumpf* and *Lindenbaum's* circle of *Colombian Order Tammany Hall* corrupt politicians, and **Masonic** Jewish high rise and public housing builders to become a millionaire.

Thru the *secret Masonic* brotherhood- local, state, federal politicians, and even the president **raided and plundered** municipal, state and federal *treasuries* by creating *vast* spending pools and measures in public projects designed to create housing and neighborhoods for the public good. In New York, New Jersey and across the U.S., these programs were warped up for the **Masonic** brotherhood like Christmas presents. The **Masonic** brotherhood would line up, and skim all the cream off the top of the coffee of the all public financed projects. So, it isn't surprising that **Joseph Kushner** straight out of **Belarus** would end up possessing and passing down a portfolio totaling **4,000 New Jersey apartments** to his son, **Charles Kushner**, almost just the same as *Slanderous Fred Drumpf and Donald J. Drumpf*.[\[52\]](#)

III

VLADIMIR PUTIN AND RED SHAMBHALA

Putin is a *Royal Arch* Mason.[53] *Royal Arch* Masonry is the first order a Master Mason joins in the York Rite usually up to the **Third Degree**. By all accounts, constitutional **Freemasonry** in Russia dates back to **January 24, 1731**, when Captain John Phillips was appointed as the provincial grand master of Russia by the **Grand Lodge** under the guidance of the “**Royal Arch**” of **England**. However, it appeared that the **Russians** from the 18th century were more interested in *piercing the veil* of the Grand Lodge than being subservient to its hierarchy.

[54]

TRANCE FORMATION-Vladimir Putin

Putin rose up to president of Russia from the lower ranks of the **KGB**. Allegedly, he had been under British Intelligence **MI6/Royal Arch Freemasonry ILLUMINATI** mind control since **1979**, and had been one of their “*dispensable and throwaway*” operatives within the **KGB** until **1994**.

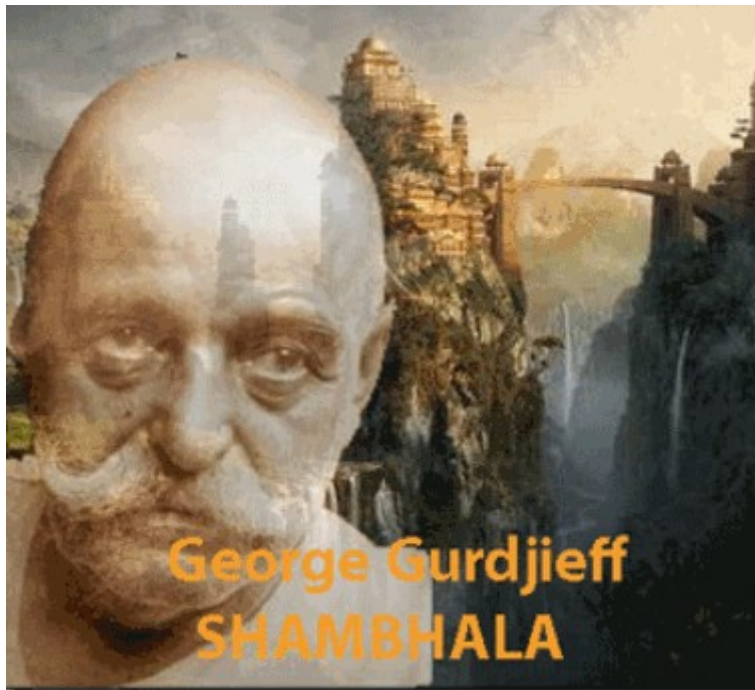

The British Empire always treated **Putin** like a nobody *non-royal* and *dispensable* agent, when the **KGB** and a superior “*inner circle*” Russian **Masonic Lodge** resisted and broke the British and CIA *ultra secret* codes and keys of their paranormal projects, and **MK ULTRA** mind control programs. [55] However, the **KGB** may have always held the backdoor keys to British and America’s **MK ULTRA** programming and *paranormal* programs all alone. It appears that the **KGB** had been *secretly* light years ahead of the them in the area of the *paranormal* and **mind control** that goes back to the *secret* **Masonic lodges, sects** and *cells* of **Alexander Barchenko** and the **Red Shambhala**.

IV

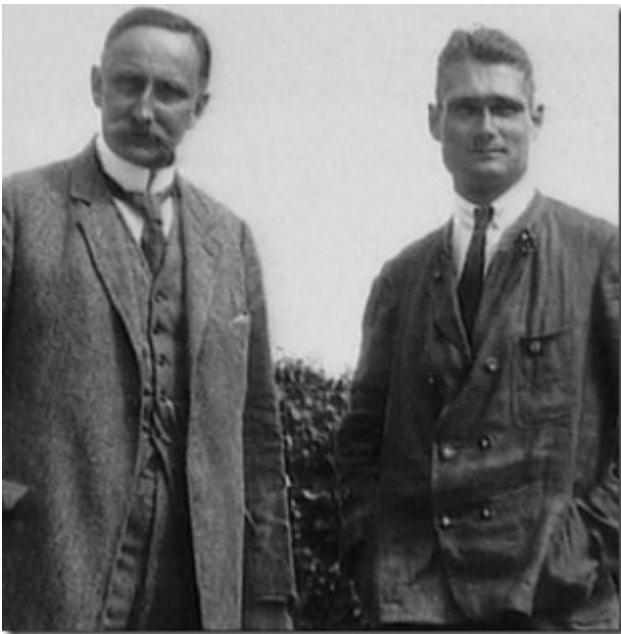

RUSSIANS & NAZIS- RED SHAMBHALA

For decades, the **Russians** that included *Czar Nicolas II* and *Joseph Stalin* had been fascinated and preoccupied as “**Searchers After the Truth**” with the “*rule by secret societies,*” serving as priestly class in direct communication with the “**gods,**” meaning the “**Ascended Masters of Agartha**“, and finding their legendary city that is said to reside in the hollow earth. They believed that there also existed a still more powerful and more holy man... **The King of the World in Agharti.**^[56] The British Empire were very concerned about Russia and Red Shambhala, because the soviets intended to use lost “*supernal wisdom*” and **paranormal power** to cut them completely out of Asia (*Tibet, Mongolia, Manchuria and China*) and the East (*India*). British Intelligence sent one of *secret agents* to **St. Petersburg, Russia** to investigate, **the Great BEAST 666, Aleister Crowley.**

In the middle of **Red Shambhala** in St. Petersburg was **George Gurdjieff**. He was a charismatic hypnotist, carpet trader, **Master Freemason** and spy, who worked as a Russian secret agent in Tibet during the early part of the twentieth century. Having been in contact with the **Bektashi Sufis of Turkey**, *Gurdjieff* put forward the myth of *Central Asian Shamanism* as the source of the occult tradition.

*“There has also often been the suggestion that he and Joseph Dzhugashvili, later known as **Stalin**, met as young students while attending the same seminary in the Caucasus. Gurdjieff’s family records contain information that **Stalin** lived in his family’s house for a while. There are also suggestions that **Stalin** belonged to an occult “eastern brotherhood,” which consisted of Gurdjieff and his followers.”*^[57]

Freemasons of the ancient Turkish Masonic Lodges.

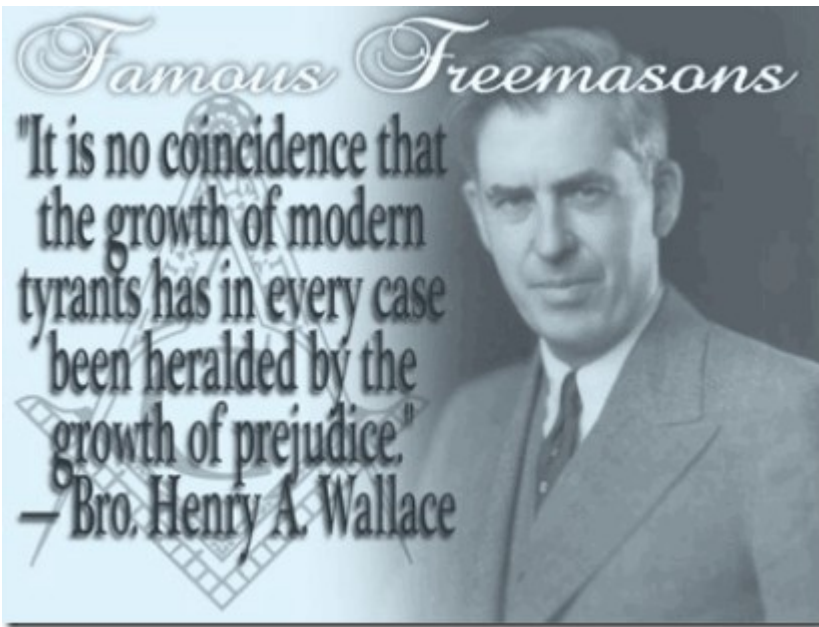

Nazi Mystics Karl Haushofer & Rudolf Hess

Louis Pauwels, a former student of **Gurdjieff**, in his book “*Monsieur Gurdjieff*”, asserts that one of the “*Searchers After Truth*” that **Gurdjieff** speaks of in his book, “*Meetings with Remarkable Men*”, was **Karl Haushofer** who, through his student *Rudolf Hess*, influenced the development of **Adolf Hitler’s** geopolitical strategies. **Haushofer** was also a leading member of the **Thule Society**, from which evolved the **Nazi Party**, and which was founded by **Baron Rudolf von Sebottendorf**, who had studied **Kabbalah** in Turkey under **Bektashi Sufis** who were also Master

Haushofer was supposed to have been with **Gurdjieff** in **Tibet**, supposedly advised **Haushofer** to adopt the *swastika*. The **Thule Society** also was to have established contact with *secret* ancient monastic orders of Tibet through a small colony of Tibetan Buddhists, which was established at Berlin in 1928. According to *Pauwels* and *Bergier*, in “*The Morning of the Magicians*”, the **Thule Society** sought to make a pact with **Shambhala**, but only **Agartha** agreed to help. Already by 1926, explained *Pauwels* and *Bergier*, there were colonies of Hindus and Tibetans in Munich and Berlin, called the **Society of Green Men**, in *astral* connection with the **Green Dragon Society** in Japan, to which **Haushofer** belonged. The leader of the **Society of Green Men** was a Tibetan lama, known as “*the man with green gloves*,” who supposedly visited **Hitler** frequently and held the keys of **Agharti**.[\[58\]](#)

Under the influence of **Haushofer**, **Hitler** authorized the creation of **Heinrich Himmler’s SS Ahnenerbe** in 1935, that sponsored expeditions to locate the Aryan forefathers in **Shambhala** and **Agartha**. The 1939 expedition was said to have gone to Tibet with the specific purpose of setting up vital radio contact between the Third Reich and the lamas, and the Theological Society’s **Madame Blavatsky’s Stanzas of Dzyan** were used as a code for all messages between Berlin and Tibet during the War. *Pauwels* and *Bergier* argue that **Hitler** sent the expedition out of his desire to find **Agartha**, which he had been made aware of from his relationship with “*the man with the green gloves*.” However in this game, the Russians were also light years ahead of the Germans, too.

In the 1930s, **Henry Agard Wallace**, Secretary the **US Department of Agriculture** also sponsored expeditions into **Tibet** to find **Shambhala** and **Agartha** led by the Russian **Nicholas Roerich**.^[59] **Wallace** was a **Royal Arch Mason** that attained the 32nd degree in the **Scottish Rite**. He was the **33rd** vice president of the U.S. under President, **Franklin D. Roosevelt**, 32nd degree Freemason.

Many believe that **Roerich** was the guiding hand behind the placement of America's Great Seal and the **All-Seeing Eye** on the dollar bill.

Russian Shambhala Mystic Nicholas Roerich

“Many of Henry Wallace’s ideas originated with his guru, the Russian mystic and artist **Nicholas Roerich**. He was an adventurer/occultist in the tradition of **Madame Blavatsky**, **Aleister Crowley** and **G. I. Gurdjieff**. **Roerich** spent many years travelling through Nepal and Tibet studying with the lamas in the Buddhist monasteries of those countries. Roerich was searching for the lost city of Shambhala. In esoteric circles Shambhala is the home of the Ascended Masters, Secret Chiefs, or the Great White Brotherhood – the hidden hand behind the formation and guidance of Freemasons, the Sufis, the Knights Templars, the Rosicrucians, the Hermetic Order of the Golden Dawn and the Theosophical Society – both **Wallace and Roerich** were members of the **Theosophical Society**, this is how Wallace met his Master.”[\[60\]](#)

“Lucifer represents.. Life.. Thought.. Progress.. Civilization.. Liberty.. Independence.. Lucifer is the Logos.. the Serpent, the Savior.” [Madame Blavatsky](#)

KGB G. I. Bokii, Kabbalistic Order of the Rose- Croix

In St. Petersburg, *Roerich* was controlled by **Cheka**, the **Bolshevik Secret Police** that was later renamed **OGPU**, **NKVD** and eventually **Putin's KBG**. The head of the **OGPU's** "Special Department" was **G. I. Bokii**, a former member of the **Luciferian Kabbalistic Order of the Rose-Croix (OKR+C)** in St. Petersburg, that may have also included **George Gurdjieff**. During the Stalinist purge trials, **Bokii** confessed to having been part of a Masonic lodge in 1909 that had been founded by **Gurdjieff** and that included **Nicholas Roerich** and his wife.

Kabbalistic Bokii & Barchenko

Russia is not a free democratic society, so it isn't possible to be certain of anything. However, we know something about their quest for **Red Shambhala**, because they opened Pandora's Box by *clandestinely* using the Masonic order, secret societies, and other governments like the U.S. to pursue lost "*supernal wisdom*" and paranormal powers to rule the world.

Russia's secret involvement in the **Occult, Kabbalah** and

Rosicrucianism by the elite ruling families, religious institutions, military

intelligence and royal hierarchical orders have existed since at the very least the 16th century with **Dr. John Dee** and his son, **Dr. Arthur Lee** for certain.

In this *secret* quest, **Bokii** joined with **Aleksandr Barchenko**, also a former member of the **OKR+C**, and former student of **Gurdjieff**. **Bokii** was also a member of the **Masonic Lodge, Edinoe Trudovoe Bratstvo (ETB)**, founded by **Barchenko**, primary aim was establishing contact with **Shambhala**. **ETB** initiates included numerous other current or former **Chekists** (Bolshevik Secret Police), British double-agents, and Jewish Kabbalists. The **ETB** lasted until **Stalin** attempted to disband in the late 1930s, following charges leveled against **Bokii, Barchenko** and their

associates, that their occult **Masonic** activities were part for treasonous plots associated with British intelligence in the Far East.[61] This leads us directly to **Putin, Donald J. Drumpf** and **Jareb Kushner. Barchenko's Masonic Lodge ETB** secret initiates included none other than the 6th and 7th *Rebbes Rabbi Yosef Yitzchak Schneersohn*, and *Rabbi Menachem Mendel Schneersohn's United Labor Brotherhood (ULB)* that had been setup by the **Kabalistic/Zohar Hasidic Movement** in **Brooklyn, New York. Jareb Kushner** and **Ivanka Drumpf** are among the *secret* imitates of **ETB/ULB** and the 7th Jewish Messiah, **Rabbi Menachem Mendel Schneersohn** that they paid homage to on the eve of the 2016 presidential election.

Barchenko modeled **ETB/ULB** after **George Gurdjieff's** brotherhood, **United Labor Commonwealth or Fellowship (ULC)**. Here is the "*ice cream on the cake*" if you don't believe any of this. Future scientist-adventurer and science fiction writer **Alexander Barchenko** before the October Revolution of 1917, graduated from the classical school in **St. Petersburg**, studied at the medical faculties at the **Kazan and Yuriev (Tartu) University**. For a time, he served in the Ministry of Finance and then became a writer. He also studied *palmistry, telepathy* and *parapsychology*.

Barchenko was recruited into a *special department* of the **OGPU (Bolshevik Secret Police)** led by a hereditary Russian aristocrat, **Gleb I. Boki**, who was one of the founders of the **Gulag. OGPU** allocated **Barchenko** a huge research sum in those days. He received new authorities *carte blanche* for unlimited access to Russian archives and any information he needed.[62] However, don't get it twisted. It wasn't the **OGPU** and **Bokii** leading **Barchenko. Bokii's** advancement in the **Kabalistic Order of the Rose-Croix** was approved by none other than **Aleksandr Barchenko**.

Barchenko's secret research lab conducted experiments with *Buddhist, lamas, shamans, hypnotists, Kabbalists*, and all kinds of paranormal and spiritual experts. The goal was to use this knowledge to spearhead the cause of communism- **secretly agitate for world dominion of the (Jewish) Kabbalah (the Babylonian derivative of the 'Ancient Mysteries') system, by any and all means.**

V

BARCHENKO & THE MYTHOLOGICAL HYPERBOREA

Awaken Hyperborea

By 1924, **Barchenko** and **Bokii** sat in control of the **OGPU's Spetsotdel**, or “*Special Department*.” The *Spetsotdel* handled codes and included an elite “**7th Section**”, which delved into **paranormal issues** ranging from *hypnotism* and **ESP**. The *Spetsotdel* also guarded the so-called “**black dossiers**,” the personal files of the Soviet leaders which included *sexual* kinks and, undoubtedly, any association with things occult. **Bokii** had practical incentive to pursue paranormal research. Telepathic communication offered a perfect means to send and receive messages from agents abroad. **Remote Viewing**, later exploited by **Himmler's SS** and **CIA**, offered the ability to spy on enemies without leaving Moscow. **Barchenko** and **Bokii** worked to unlock the secrets of *hypnotism* and *mind control*. To explore such matters, **Bokii** and **Barchenko** setup a special “**neuroenergetics**” lab within the **All-Union Institute for Experimental Medicine**.[\[63\]](#)

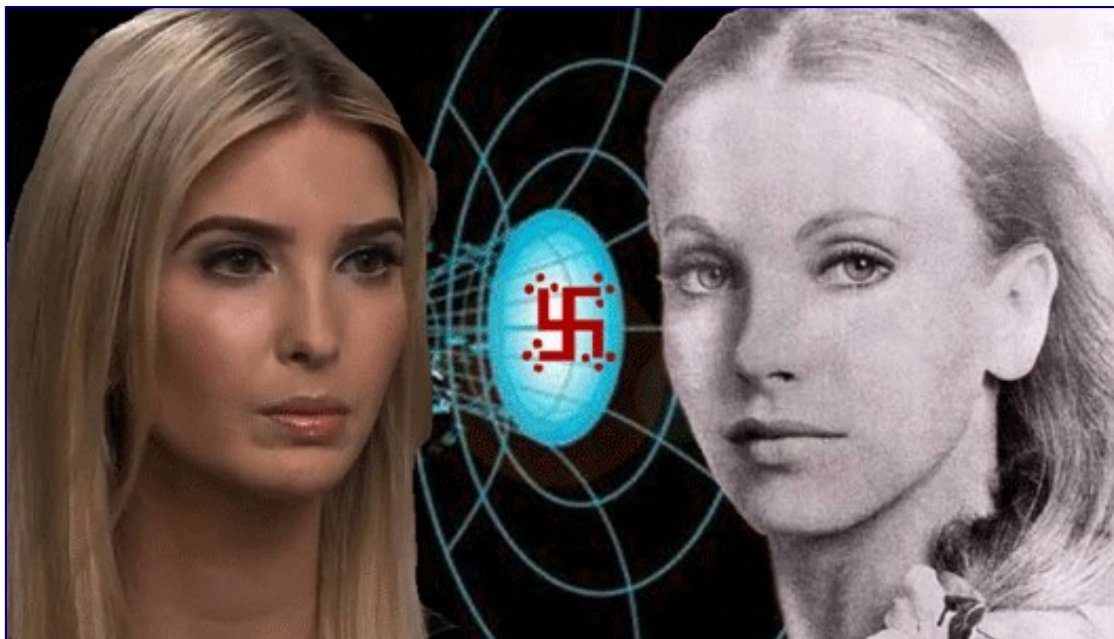

HYPERBOREA VRIL SOCIETY MAIDEN

In the 1920s, **Barchenko** was listed as an employee of the *Scientific and Technical Branch* of the **All-Union Council of National Economy**. He led organized expeditions to areas where there was *abnormal phenomena* in search of the secrets of influence on the human psyche. The first expedition was equipped in **1921** on the Kola Peninsula. **Barchenko** believed that the ancient inhabitants of these places, the **Hyperboreans**, were able to split the *atomic nucleus* using *nuclear energy*, *opened the airspace* and *built the first aircraft*. **Barchenko** believed that only bearers of the memory of the ancient people, *Sami shamans*, who lived in the Kola Peninsula, Northwest Russia, had information on the possible whereabouts of **Hyperborea**. **Barchenko's** expedition was organized as a task of the *Institute for the Study of the Brain*, and was adamant that he had found evidence of the existence of **Hyperborea**. **Hyperborea** was a mythological civilization that once occupied **Shambhala** and **Atlantis** after great earth cataclysms mentioned in Ancient Greek texts.

Donald Drumpf & His God Apollo

According to Ancient Greek legends, the land of the **Hyperboreans**, the people who had *ultra secret* knowledge and were close to the gods, was home to **Apollo**, the personification of the Sun. In Greek mythology, **Pythagoras** was taught *sacred geometry* by **Apollo**, a god who was identified as a resident of **Hyperborea**. [\[64\]](#),[\[65\]](#)

Awaken Hyperborea- Ivanka & Vril Maiden Maria Orsic

“One of the forces supposedly used in these pre-Flood times was a mysterious energy that the Nazis discovered, called the **Vril force**. The Vril force, the **energy fields studied by Nicola Tesla**, and what is now called **scalar technology** are based on similar theories deriving from quantum mechanics. **Scalar Technology** is based on the theory that there is a fourth dimension where powerful energies for destruction or healing on a planetary level can be transferred into our three dimensional reality and change that reality. The Nazi concept of a **Vril force** is based on the idea that a race of god men came from the stars in ships powered by this force and settled on the legendary island of **Thule** where they founded the civilization called **Hyperborea**. Plato believed in the Egyptian legend of Atlantis and **Herodotus** spoke of the another Egyptian legend of the continent of **Hyperborea** in the far north. When an ice age supposedly destroyed **Hyperborea**, this race of god men migrated south and it may be they who created the empire of Atlantis...

Awakening Hyperborea – Adolf Hitler & the SS

*The secret occult societies that put Hitler into power were extremely interested in Antarctica beginning in the 1930s. The **Vril** and **Thule** societies searched the ancient Tibetan, Indian, and Greek texts. Mixing these legends with Nordic legends of blonde haired blue eyed gods, they came to the conclusion that the Earth is hollow and inhabited within. **Ultima Thule** is supposed to have been the name of the capital city of the continent of **Hyperborea**, which was older than Atlantis. According to occult teachings, the **Hyperborean's** were the most highly technologically and socially advanced society that existed in the pre-Flood age. When the Flood came the **Hyperborean's** dug large tunnels through the Earth's crust using giant machines and settled under the Himalayas. According to their legends they named their new kingdom **Agharta** or **Agharti** and its capital city was **Shambhala**, which was the legendary paradise on Earth.” [66]*

Barchenko allegedly discovered a mysterious hole under the ground that emitted mystical powers. In 1922, in the vicinity of the *Sami Saydozera* on the Kola Peninsula, **Barchenko** allegedly found ancient pyramids.[67]

THE 6TH & 7TH REBBES SOLD THEIR SOULS TO LUCIFER

In Leningrad, Soviet Union in 1925, the **6th Rebbe Rabbi Yosef Yitzchak Schneersohn** and **Professor Alexander Vasilyevitch Barchenko** initiated the 7th Rebbe, **Menachem Mendel Schneerson**, into the mystical Satanic Masonic Lodge of **ETB- The United Labor Brotherhood**. It isn't certain when **Yosef Yitzchak** sold his soul to *Lucifer*, and had been initiated into **ETB** as a clandestine Russian agent- "*Searcher After the Truth*", but it is certainly admitted that **Menachem Mendel** was an initiate of **Barchenko**. From that moment on, **Rebbe Menachem Mendel's** was dedicated to the *Lucifer*, **KGB**, and **Barchenko's ETB's** search for the lost "*Vril Energies*" of **Red Shambhala**. [68],[69]

Of course, the **OGPU** and **Barchenko's 7th Section** provided the 6th and 7th *Rebbs* travel visas to Paris, Berlin, and the U.S. as early as 1929, **Rabbi Yosef Yitzchak** entered U.S. to establish **ETB** in Brooklyn. Immediately after his wedding to the **6th Rebbe Rabbi Yosef Yitzchak's** eldest daughter, he was off and running on behalf of the **KGB**. **Rabbi Menachem Mendel** and his young wife left Warsaw, Poland for Berlin, Germany. At the **University of Berlin**, he studied *physics, geometry, mathematics, engineering, and philosophy*. The couple fled to Paris, France in 1933 after the Nazi takeover. In Paris, **Rabbi Menachem Mendel** was allowed to enter a highly selective, elite and exclusive engineering French institution without credentials to study *philosophy, theoretical physics, geometry and mathematics*. In Paris, he was also reputed to have enrolled at the **Sorbonne** (where he studied physics), and at the **Polytechnic Institute's** faculty of mechanical engineering. [70]

In the summer of **1940**, the **Nazis** invaded France, the **Schneersons** managed to flee Paris on one of the last trains to leave before the Germans captured the city. With their Russians visas expired, they were stuck in France under Nazi rule. Immense efforts were being made to bring the **Schneersons** to America, where the *Rebbe*, **Rabbi Yosef Yitzchak** had already settled. In order to arrange the **Schneerson's** move to America, supporters dispatched telegrams, placed transatlantic calls, exerted pressure on the **U.S. State Department**, and, of course, paid a great deal of money. Eventually the **Schneersons** did manage to leave France, and reached America **via Spain and Portugal**. [71] It certainly appears that the **Schneersons** followed the same **Vatican- Office of Strategic Services (OSS)** ratlines followed by double Nazi and Soviet spies and assets **via Spain and Portugal** to enter North and South America.

One of the 20th century's most guarded and protected *secrets* are the Russian, German, British, U.S., Chinese, and other militaries' quest and employment of the *ancient occult (advanced abilities in ESP, remote viewing, and telepathy)* in war and peace. In America, the **(OSS)** and **U.S. Naval Intelligence** were in charge of the WWII's secret **Occult and Paranormal** activities and undertakings.

Remarkably very soon after arriving in America on June 23, 1941 during WWII, **Rabbi Menachem Mendel** out of Italy had to have cleared by the **FBI, OSS** and **Naval Intelligence** to be hired by the **U.S. Navy** as an electrical engineer for an *ultra secret project* at the **Brooklyn Naval Yard**. [72], [73] My guess is that the **OSS** rescued the **Schneersons** out of France to keep **Rabbi Menachem Mendel** out of **Himmler's SS** hands that were also hot on the trail and pursuit of the “**Vril Energies**” of **Shambhala**.

In America, **Project Rainbow** was an *ultra secret* experiment in the realm of the paranormal- *zero point energy, time travel, anti-gravity, time loops and sacred geometry*– **Vril Energy**. From October 1920 until May 1923, **Nicholas Roerich** spent significant amounts of time in Chicago at the **University of Chicago**. [74] In the 1930's, **Nikola Tesla** got involved with a group that was experimenting with moving through the Time/Space continuum. In the early 1930's, the **University of Chicago** investigated the possibility of invisibility through the use of electrical magnetic fields.

“**The Philadelphia Experiment**” by *Charles Berlitz* and *William Moore* say that “**The Philadelphia Experiment**” aka **Project Rainbow** came to being in **1931** when in Chicago a small group of scientists got together to investigate the possibility of *de-magnetism* of war ships. The team included **John Hutchinson**, the Dean of the University of Chicago, **Dr. Emil Kurtinauor**, an Austrian Physicist, and **Dr. Nikola Tesla**. Tesla was director of Engineering and Research at RCA. at the time. **Freemason Franklin D. Roosevelt** (then Secretary of the Navy) was there, a personal friend of **Tesla**. The U.S. was having problems with a magnetic mine that the Germans had developed and wanted to investigate the possibility of *De-Magnetizing* ships. [75]

Project Rainbow started in the **Brooklyn Naval Yard**, and in **1940**, they achieved for the first time full invisibility with a mine sweeper vessel (without any crew). Two Radio Transmitters and one main generator drove a series of four conical coils, generating an intense magnetic field. These oppositely wound coils produced a *zero magnetic field* – which is a **Scalar Field**, or what is referred to as a **Scalar Value of Zero** or the **Zero point energy of the Vacuum (VRIL ENERGY)**.

In **1942**, **Tesla** was given a battleship but he became very concerned when he was told the experiment would contain live crew. He complained about this. It is one thing to make invisible (or **time travel**) an object like a ship, but people have individual time references. Tesla may have altered the settings on the equipment but what happened when the experiment took place in **March 1942** was that nothing happened. **Ten (10)** months later, **Nikola Tesla** was found dead in **January 1943**.[\[76\]](#)

SS Scarface

There is a strong possibility that the **SS (Obersturmbannführer Otto “Scarface” Skorzeny)** assassinated **Tesla** before he could compete the **“Veil of Invisibility”** experiments for the **OSS/U.S. Navy**. The **SS** also is alleged to have hijacked his files and records from his safe. I also suspect that **Rabbi Menachem Mendel** studies in electrical engineering from some of the most elite engineering institutions in Russia, France and Germany since at least 1925 on behalf of **EBT/ULB** centered around **Tesla** and **Shamblala’s secret Scalar (Vril)**

Energy. It is very plain and clear that.

“In 1925, he [\[Barchenko\]](#) met and corresponded with **Rabbi Menachem Mendel Schneerson**, who **assisted him** in his research and studies of religious and mystical matters.” **It just can’t be any clear than that, folks! Rabbi Menachem Mendel** was employed as an electrical engineer with the U.S. Navy at the **Brooklyn Naval Yard** for about a year until sometime after **June 1942**. His work was/is labeled as highly **“CLASSIFIED”** and **“TOP SECRET.”**[\[77\]](#) **Now. You understand, why.**

V
CONCLUSION

1937-38, Stalin and the KGB Take Red Shambhala UNDERGROUND and CLASSIFIED

In the 1937-38 in the **Great Red Purge** in Russia, both [Barchenko](#) and **Bokii** were suddenly arrested accused of espionage and terrorist activity. [Gleb Ivanovich Bokii](#) was given a summary trial and executed in November of that same year.

Barchenko was also tried, and convicted. On April 25, 1938, he was shot. **Stalin** and **KGB** seized all of their books, records, diaries. He seized and sealed all of books, records, diaries of **OGPU's "Spetsotdel"**, or Special Department, and **7th Section**. He closed everything down and **classified** everything regarding the department that included **Brachenko's ETB/ULB**.

Well, guess who holds the keys to OGPU's "Spetsotdel", or Special Department, 7th Section, and Bokii and Barchenko's books, files, records, diaries?

Guess who possess everything about Barchenko's ETB/ULB and now control the *ultra secret* ETB/ULB Masonic Lodge, and the Hasidic Movement in Brooklyn and New York City (Donald J. [Drumpf](#), Charles Kushner, Jared Kushner, Ivanka Drumpf)?

In 2016, Russian President Vladimir Putin visited Moscow's Jewish Museum and Tolerance Centre as an important collection of ancient Jewish books, the 7th Rebbe's Schneerson Library was logged into the center.

Putin familiarized himself with the most valuable parts of **Rabbi Menachem Mendel Schneerson's** library collection, which contains some 12,000 books and 50,000 rare documents dating from the 18th to the beginning of the 20th century. **Putin** maintains that the **Schneerson Library** is nationalized **Russian** state property.

You probably won't find anything in the **Rabbi Menachem Mendel Schneerson's library** in Russia about OGPU's "Spetsotdel", **Brachenko, Bokii** or **ETB/ULB**.

Putin, the Masonic Order and the **KBG** are already busy creating America's next generation of politicians and so-called public servants.

Pyramid Symbol of the ILLUMINATI and the New SHAMBHALA, Chelsea Clinton & Putin

Chelsea Clinton and her Jewish husband, **Marc Mezvinsky**, are close personal friends of **Ivanka** and **Jared Kushner**. No matter whether the next president is named **Clinton** or **Drumpf**, a Jewish son-in-law is sure to visit the White House some time before next **Rosh Hashanah**.

If these *Luciferians* can't pull the veil over the eyes of the babies, what more should we be able to **SEE** with your eyes open!
